Van. Bickle	3,100 (approximate)

25X1A

Comment: The Matzen-Prottes field was divided into two fields, Matzen and Bockfliess, as of 1 January 1953. The Soviet decision to administer the Matzen oil field as two units was first reported in June 1951. In [REDACTED], 27 May 1952, it was reported that Soviet authorities in Moscow had approved the plan to split the administration of Matzen oil field.
